COURSE OBJECTIVES: This course is FAA approved Flight Instructor Refresher Course (FIRC). All of the training will be provided by a team of professional instructors from Helicopter Institute Inc. located in Fort Worth, Texas. The FIRC course is designed for flight instructors who wish to renew their current Flight Instructor Certificates under Federal Aviation Regulation Part 61, while honing their knowledge and skill with the latest developments in standards, regulations and helicopter flight instructional techniques.
Maximum enrollment: 65

INTENDED AUDIENCE: This course is intended for law enforcement certified helicopter flight instructors; however, all certified helicopter flight instructors are invited to attend.
