

PUBLIC SAFETY DRONE AERIAL THERMOGRAPHY AND TACTICS COURSE

PEPPERMILL RESORT SPA CASINO | TUSCANY 4 Monday, July 25 - Tuesday, July 26 | 0800 – 1700 Daily

INSTRUCTOR:

DEREK RALPH

Tactical Flying, Inc. /
San Diego Sheriff's Department derek.ralph@tacticalflying.com

<u>COURSE OBJECTIVES:</u> The Public Safety Drone Aerial Thermography and Tactics Course is designed to provide UAS crew members the tactical skills and information necessary to safely and successfully support ground units engaged in a variety of public safety missions. This class is essential to the professional development of public safety personnel operating drones.

Maximum enrollment: 65

INTENDED AUDIENCE: This course is specifically intended for law enforcement personnel utilizing UAS for tactical and search missions. This course is also applicable for unit supervisors, and those looking to improve their effectiveness, and search efficiency.
