COURSE OBJECTIVES: The Tactical Flight Officer Course is designed to provide aircrew members the tactical skills and information necessary to safely and successfully support ground units engaged in a variety of law enforcement missions. Although specifically designed for tactical flight officers, this course is applicable to pilots and crewmembers alike and is also a valuable course for unit supervisors.. This class is essential to the professional development of aviation law enforcement personnel and meets one of the requirements for TFO training related to accreditation.

INTENDED AUDIENCE: This course is specifically intended for law enforcement personnel assigned to aviation support units as Tactical Flight Officers. Flight Observers, Pilots and Unit Supervisors.
